

Project Application
Deadline for applications is April 9, 2021

Teacher(s) _____

Grade level(s) taught: _____

Number of students involved: _____

School District: _____

Building Name: _____

Mailing Address: _____

Work Phone: _____

E-mail address: _____

What community group(s) or organization(s) have you contacted and who is helping you plan? Please include name of contact person(s).

Describe your Spruce Up America Project. (Attach additional sheets if necessary.)

Explain clearly where you will plant. Include a sketch if possible.

(Did you check for buried cables and overhead power lines?)

What are your thoughts as to the number and type of trees or seedlings you will require? *(Ex: Do you need coniferous or deciduous trees? Are you planting one or several? How many can your site support?)*

What is your anticipated planting date at this time? *(Trees will be available for pick-up April 22.)*

Application must be completed and returned as soon as possible to increase the likelihood of getting specific species of trees and shrubs. You will be notified in writing of your application status. Please send applications to:

	<p><i>Cortland County Soil and Water Conservation District</i> 100 Grange Place, Room 202 Cortland, New York 13045 Phone: 607-756-5991</p>
